Dear New Holland Summer Fest Kids Q competitor,

Welcome to New Holland Summer Fest Kids Q. We are looking for kids of all ages to compete in chicken, beef and Chef's Choice. Refer to the application for more detail. If you were here last year, you know how much fun it is.

If you have friends who would like to enter, you can make a copy of the form or forms are available on our website www.nhsummerfest.org.

This year we have reduced the number of age groups from 3 to 2. This was done because we were not getting enough kids in the younger and older age groups. New age groups are 12 and under and 13 – 18.

For chef's choice we will be providing you with a slightly bigger Styrofoam box, the same as the one used by the competition teams.

Again this year, you will notice in the rules that we are getting very serious in policing parental involvement. Too often, parents have been doing most of the work instead of the child. THIS IS A KIDS CONTEST.

If you have any questions, call Chuck Sheffield at 717-669-1400..
